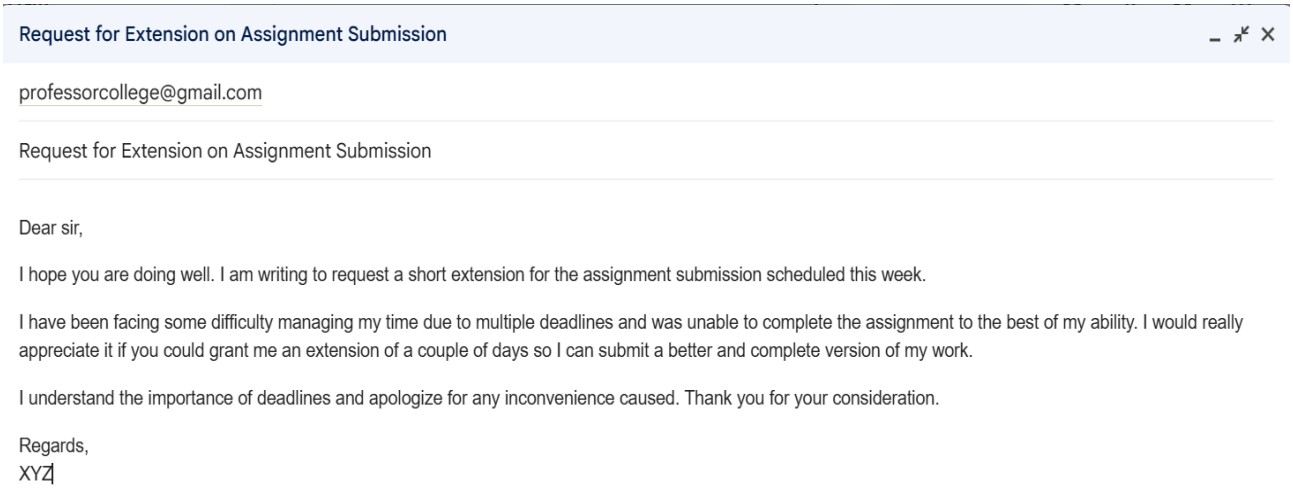
PART A: two professional emails

Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.



Request for Extension on Assignment Submission

professorcollege@gmail.com

Request for Extension on Assignment Submission

Dear sir,

I hope you are doing well. I am writing to request a short extension for the assignment submission scheduled this week.

I have been facing some difficulty managing my time due to multiple deadlines and was unable to complete the assignment to the best of my ability. I would really appreciate it if you could grant me an extension of a couple of days so I can submit a better and complete version of my work.

I understand the importance of deadlines and apologize for any inconvenience caused. Thank you for your consideration.

Regards,
XYZ

Application for Summer Internship Opportunity

Dear Sir,

I hope you are doing well. My name is XYZ, and I am currently a student pursuing AI and Bioinformatics.

I am writing to express my interest in applying for a summer internship at your organization. I am keen to gain practical experience and apply my knowledge in areas such as data analysis and machine learning.

I am eager to learn and contribute, and I would be grateful for any opportunity to be considered. Please let me know if there are any available positions or application procedures.

Thank you for your time and consideration.

Regards,
XYZ
